(1)

The facts of this case are as follows:-

4 S.N.9 (1)

In letter No. 442-E.,* dated the 2nd September, 1927, the Government of India in the Foreign and Political Department conveyed the sanction of the Governor General in Council to the award of stipends at Rs. 35/- per mensem --- each for six months in the year, to two batches of 3 Pupil Nurses in each year, who have undergone 3 years general training in nursing in the Bangalore hospitals to proceed to the Lady Curzon Hospital for midwifery training. In addition to the above there is provision for receiving 8 paying Midwifery Pupils for training in the hospital.

S.N 13 (1)

The Residency Surgeon informs us that it is very difficult

difficult to get paying Midwifery Pupils as in no other hospital it is customary to receive payment from the ----- Midwifery Pupils for their training but on the contrary, the Midwifery Pupils are paid a stipend of Rs. 35/- per mensem-Vide S.N. 13/A. He now recommends that the ----- stipend sanctioned by the Government of India should be made applicable not only to the Pupil Nurses who have undergone 3 years' training in General Nursing in Bangalor Hospitals, but also to outsiders, and that the number of stipends may be increased from 6 to 15 as detailed in the statement below. He also proposes to increase the ----- stipend from Rs. 35/- to Rs. 45/- plus Rs. 5/- for uniform and washing allowance per mensem.—

Present cost. Rs.		Proposed cost. Rs.	Difference. plus More Rs.
1,260	10 Stipendiary Pupils who have completed a course in General Nursing to undergo Midwifery training (5 at a time for every 6 months) 5 Nurses at Rs. 45/- (Stipend) plus Rs. 5/- (Uniform and Washing allowance) for 6 months. Rs. 1,500/- -do- -do- 1,500/-	3,000	+ 1,740
	5 Stipendiary Pupils without previous training to undergo Midwifery training for a term of full year (Ration allowance at Re. 1 per day plus Rs. 5 per mensem for uniform and washing allowance).	2,125	+ 2,125
1,260	15. Total	5,125	+ 3,865

6 Stipendiary Pupils for Midwifery ----- training (3 at a time for every 6 months) Rs.
3 Nurses at Rs. 35/- for 6 months - - - 630
-do- -do- 630
1,260/

6. Total

The extra cost involved by the proposal is Rs. 3865/-

per annum. No provision has been made for the purpose in the current year's Assigned Tract budget.

(5) The Pay and Accounts Officer, Bangalore, considers that, under Rule 62 of the Book of Financial Powers, the sanction of the Government of India is necessary for sanctioning the stipends in question.

(6) Submitted for orders as to whether the proposal may be submitted to the Government of India and whether provision for the purpose made in the next year's Assigned Tract budget estimates under "Part II-B-Fresh charges."

Pl. speak. Can the revenues of the A.T. provide for this expenditure? I am doubtful, having regard to the examination of the question in connection with the proposal for an increase in the pay of the Police.

Dear Loch,

With reference to our Conversation on the 'phone Concerning the proposition for Extra Stipends for Nurses, I informed you that I would go into the matter once more so as to estimate the urgency of the proposal for reconsideration. I am sorry to inform you of finding on the matter, as the facts mentioned in my 4 23/156 of 29th May - 29 show that the matter is really urgent.

Yours Sincerely

Amedeo

As soon as a reply is received from the Collector about the excise revenues of the Assigned Tract in reply to an enquiry on the file about the increase of pay of the Police, please place a copy of the statement showing the financial position on this file.

Suggested alterations in:-

Last para omit " In addition, they receive Re 1 a day, messing allowance". They do not receive this.

Page. 3. (Para 1.)

Omit "(and this is the more desirable source of recruits)". It is probably true, but the Director-General will think it a reflection on his favourite Madras General Hospital.

Page. 3. (Para 3.).

Sentence 2-for "and no staff of trained nurses is employed" please add "and no other trained nurses are employed (i.e. save the Charge Nurses)".

Page. 6. (Para 1).

Tends to ~~discharge~~ encourage pupil nurses joining the Midwifery Department of the hospital.

Page. 8. (Para 1).

We do not wish to have any Ration Allowance of Re 1. per diem; the stipend of Rs 45/- covers the Ration Expenses i.e. Rs 30/- or Rs 31/- is deducted from Rs 45/- every month.

Page. 8. (Para 2)-

Our recommendation is for untrained nurses to undergo Midwifery training for 1 year and the stipend asked for is at the rate of Re 1/- per diem for Ration Allowance and Rs 5/- per mensem for Uniform and Washing Allowance. (this is to take place of the Government of India No. 442-E., dated 2nd. September 1927, where Rs 35/- is granted.) The new recommendation allows Rs 31/- or Rs 30/- depending on the month in question, plus Rs 5/- viz Rs 36 or Rs 35/-.

Removed as they are required for reference in another connection.

@ On the recommendation of the Residency Surgeon, the Resident has authorised the Lady Superintendent to sign the receipt for and draw the ration allowance due to nurses, in cases when nurses go on leave, resign or are dismissed during any month.

It seems that the present practice of paying the ration allowance to the Nursing Superintendent instead of paying to each nurse may be approved.

(4) The present practice is to credit to Government the full amount of Rs.35/- collected from the paying pupils, and subsequently to draw the ration allowance of Re.1/- per diem due to the Nurses on refund bill forms. (R) Under Art.198(c) of the Civil Account Code, Vol.I, refunds of

(4) (R) page 9

of receipts can be drawn only on the receipt of person entitled to them. Hence the proposal to pay the ration allowance due to the Midwifery pupil Nurses direct to the Nursing Superintendent is not in accordance with rules.

As however the sum of Rs.35/- per mensem collected from the paying pupils is intended for purposes of board and lodging (vide Rule 3 of the Rules for the Midwifery Training School in the Lady Curzon Hospital) and out of this sum that is credited to Government in the first instance a major portion is refunded subsequently in the shape of ration allowance to the Nurses, the Residency Surgeon may kindly consider whether the following slight change in procedure may not be adopted so as to avoid any accounts objection and at the same time leave the ~~mess~~ messing arrangements unaffected. Rs.35/- due from the paying pupils may be collected out of which the ration allowance due by the pupils to the mess may be paid direct to the Nursing Superintendent and only the balance credited to Government, that is, Rs.4 or 5/- per mensem for each pupil, as the case may be. This procedure will obviate the unnecessary swelling of both the receipts and refunds of the hospital and will at the same time not be open to the objection that the ration allowances drawn are not paid to the actual payees but to the Nursing Superintendent. If agreed to, necessary amendments may be sanctioned to the Rules for the Midwifery Training School in consultation with the Residency Surgeon.

OFFICE OF THE RESIDENT IN MYSORE.
BANGALORE.

Regd. No. 6888
To No. 221/29

The Pay and Accounts Office,
Bangalore.

Please see the correspondence ending with this office U.O. reply No.P.Acc.315, dated 8-12-'29 regarding the mode of payment of the ration allowance of Re.1/- per diem to Midwifery Pupil Nurses in the Bowring and Lady Curzon Hospitals. It is understood that the necessary amendments to Rule III of the rules for the Midwifery Training School, Lady Curzon Hospital, Bangalore have since been sanctioned by the Hon'ble the Resident in accordance with the suggestions of this office and that the revised rules were given effect to from 1st April '30. A copy of the amended rules may kindly be sent to this office as it has not been received so far.

The result of the amendment is that no appropriation would be necessary for this purpose in the current year under 'Demand 76 Refunds - H Other Refunds - H15 Medical' as no ration allowances will in future be paid by Government, the sum of Rs.30 or 31, as the case may be being paid to the Nursing Superintendent directly out of the monthly fees realised. The appropriation included under 'H15 Medical' for this purpose in the estimates for 1930-31 will therefore have to be surrendered to the Government of India. The change in procedure for the payment of the ration allowance necessitating the surrender of the amount included in the estimates of the current year may be reported to the Government of India at the time of surrender.
